Comments

“ 25 years ago, when I was a young nurse fresh out of school, I met a wonderful nurse who mentored me, then became one of my best friends. Through thick & thin, we were able to tell one another everything, shared joys and sorrows. Every conversation ended with Diana saying “I LOVE YOU SO MUCH!!!!!!” No matter how bad things were, Diana could always joke and smile. She was the sunshine, she was brilliant, she was kind, she was the most loving person I’ve ever known. I will miss her every single day.
