

Lois Ruth Knickerbocker

April 12, 1921 - February 23, 2021

Lois Knickerbocker, a resident of Everman, Texas passed away February 23 2021. She was born April 12th 1921. Survived by her three children. Her sons Tony Clark and wife Debbie, Harold Clark and wife Debbie, her daughter Alice Turner and her husband Bill. Grandchildren, Michael, Beth, Alisha, Kevin, Ben, Kim, Katie, Amy and Angie. 21 great grandchildren, 11 great great grandchildren and sister in law, Kay Knickerbocker. She was preceded in death by her husband, James L. "Nick" Knickerbocker, son, Doug Clark and great grandson Josh Kent.

She was a loving wife/mom/and Nanny. If she could, she would help those who needed financial help. We all knew, if we needed her at any time day or not she would get in the car and drive to us. Mom drove her car which was a Mustang until age 92. She was a strong loving woman! We will all miss her dearly!

She worked two jobs in order to take care of her four children. In 1953 She was hired by L. T. V. which later the name changed to Vought. She retired after working 25 years for the Vought Industry.

She started attending the Tarrant county junior college at South campus taking senior classes such as swimming, history, psychology. She started teaching how to play the game of 42 with dominoes. She substituted for the history and psychology teacher whenever they couldn't be there.

Later mom decided to go to the Arlington campus and there she became extremely active. She first took over the job of getting the end of the semester party ready which she called The Bash. She set the date for the party, she planned the menu, she booked the entertainment and she got donations donated for the door prizes. She did this for many years. Later she became a board member of the senior classes. She was over the curriculum and getting the professors or teachers to teach the classes. She helped put the catalogs together and mailed them out, and continue to teach the game of 42. In the summer she was very involved in getting the talented and gifted children to the classes that they needed to attend for the program.

She was a world traveler. She sponsored the Texas girls' choir, as they traveled to China and to Russia. She traveled to Hawaii, and to Europe. She had many vacations in the United States.

She loved watching and going to the Texas Rangers baseball games. She also was very involved in her granddaughter's fastpitch softball team "Blue Thunder.' She was the go-to Nanny whenever any other players were hurt.

She also was a former board member of Everman parks and recreation.

The last five and a half years of her life she lived in the assistant living facility The Covenant. In Burleson. She loved all the caregivers and all the caregivers loved her. They all called her Nanny.

Many people call her Nanny, friend, Lois and mom. She was greatly loved.

“ TO THOSE I LOVE

If I should ever leave you whom I love
To go along the Silent Way, grieve not,
Nor speak of me with tears, but laugh and talk
Of me as if I were beside you there.
(I'd come—I'd come, could I but find a way!
But would not tears and grief be carriers?)
And when you hear a song or see a bird
I loved, please do not let the thought of me
Be sad...For I am loving you just as
I always have...You were so good to me!
There are so many things I wanted still
To do—so many things to say to you...
Remember that I did not fear...It was
Just leaving you that was so hard to face...
We cannot see Beyond...But this I know:
I loved you so—'twas heaven here with you!

“ There are so many memories of Nanny that I could bring up but I guess I will bring up on that evolves my Grandfather Doug as well. After my Grandpa had passed away my mom, Beth Ostermyer and I, plus a family friend, at the time. Went to get his truck. Well this family friend kept interrupting Nanny while she was trying to talk. She got tired of it and just looked at him and said "Shut Up and listen". Roughly 15mintues later we left and it was me, Josh and Nanny in her car and she cut across multiple lanes and scared us to death but it was fun. Nanny was so much more then a baseball fan or fast pitch fan. She was a loving caring told it how it is kinda person. Treated everybody fairly and made sure that everybody felt welcomed and cared for. She was a family person who just made everybody so happy. She will be missed dearly.

“ So many memories to share but I would just like to share a few of my favorites.
Many many hoildays at her home. That house will always be nannys house.
Her getting annoyed at my dad with a stern voice saying Douglas.
Her meeting my now husband Rob and asking if he was going to marry me.
Her very soft voice.
Her very soft hands.
Telling someone to shut up and listen.
All of us miss her so much.
She will be greatly missed. Love you nanny
